

AMENDMENTS TO THE DRAWINGS

The Examiner has required that Figs. 1 and 3 be amended to show Domain V in Fig. 1 and mint bank 124 in Fig. 3. Two copies of replacement Figs. 1 and 3 are attached hereto. On one set of replacement drawings, changes to the Figs. 1 and 3 are shown in red ink. The other copy is a clean copy of Figs. 1 and 3 with the changes incorporated thereto. Applicants call the Examiner's attention to Fig. 3 and the fact that mint bank 124 was correctly labeled but that the number "1" was reproduced very lightly so that it appears that the mint bank in Fig. 3 is labeled as 24.
